VII. COUNCIL COMMUNICATIONS

- a) Discussion requesting information on any and all non-budgeted financial accounts
Council Vice President Rodericks
Council Vice President Rodericks addressed revenue line items that were not discussed during the budget process that would have been helpful to have known. He gave the example of the Live Nation revenue that hasn't been used yet, and how possibly this could be used for the 4th of July fireworks event at Pierce Field. Council Vice President Rodericks stated he placed this item on the docket to get more information. Finance Director, Malcolm Moore was present and stated that he did not have the information that Council Vice President requested. Council Vice President requested the City Clerk, Samantha Burnett to place this item on the next City Council meeting docket.
- b) Discussion on surplus budget in city, total amount available and history thereof
Council Vice President Rodericks
This is in regards to the \$6.5 million surplus that is ear marked strictly for the School Department. There is an audit report that Council Vice President had not yet seem, but has been told that it does state that this should go directly to the School Department. Council Vice President stated that he would like to get some background and more information about this. Finance Director, Malcolm Moore explained stating that he found a line item on an audit that goes as far back as 1991. Fund balance is \$5.1 million. Mr. Moore acknowledged and stated that the City owes the School Department money and they just haven't paid it to them yet. Councilman Mourato asked if that money is sitting in an account? Mr. Moore stated yes, it is in the General Fund on the city side. Council Vice President asked if there was a letter from the auditor explaining this. Mr. Moore stated no. Council Vice President Rodericks asked if there was a report that addressed this from the auditors. Mr. Moore stated no. Mr. Moore stated that everybody was aware of this, including the School Department, the mayor, Mr. Paul Luba and others. Councilman Mourato asked how the City received the money. Mr. Moore stated that the school and city used to share one bank account. At the end of the year there was usually money left over. Mr. Moore shared two pieces of paper with the Council President. In the City's general fund and it says Due to School and it mirrors "their" side and it starts at \$9.6 million and it ends at \$6.5 million. (This information can be found on the auditors' report). Council Vice President Rodericks stated concerns when the School Department was in need of things, and wondered if this could have been avoided. Mr. Moore stated that once the School Department would spend down the Capital Plan and when the School needed more money, the City would give it to them. Councilman Cahoon wanted to know if we knew the percentage of funds from the state, federal, etc. Mr. Moore only answered saying that he found the line item originating in 1991. Councilman Cahoon asked that if say it was \$6 million and can be used for school and only school use why would it impact the amount we have to borrow for City operations? Mr. Moore stated that when the City runs out of money, that includes the \$6.5 million. Councilman Cahoon said that was his point and why would that money be even spent at all on the City side, if it can be used for no other purpose than for school purposes? Councilman Mourato asked who does the money really belong to and how do we pay back the school because it sounds like we're using money that really doesn't even belong to us, (City). Mr. Moore stated yes and no that this money is earmarked for the school. When they borrow TANs, an amount of that money is to borrow for the school department, because they don't receive their money for another six months. Once received, they pay the City back, and then the School will draw it down again. He stated that he borrows TANs for the School and the City. Mr. Moore said he could give them the \$6 million but then he should probably charge them for their share of the TANs. Council President Britto shared history when the school department needed money, and had cuts made, but not at any point in time, the \$6.5 million was ever mentioned. Mr. Moore did not respond and Council President Britto mentioned it didn't necessarily needed a response. Mr. Moore states that it doesn't work that way. Council Vice President stated that there is no disputing that the City owes the School Department the \$6.5 million. Mr. Moore stated that is correct. Council Vice President Rodericks mentioned that he is fine with placing this on another docket, but next time he would like to hear from the School Department.
- c) Discussion on Carousel Capital Improvement Projects – Ice Rink and Blount Restaurant
Councilman Mourato
Councilman Mourato invited Tracy Johnson, Carousel Manager to speak at the podium to answer any questions the Council may have regarding these items. Council Vice President Rodericks asked if this is relative to the review of the Capital Projects. Council President mentioned that he did not want to review all of the remaining projects during this meeting, but wanted the Councilman to given the opportunity, as he has listed it on the docket. Ms. Johnson was available and gave a presentation (included in the docket packet on file). She clearly stated that they are not asking for money to buy an ice rink. REVISED ORDINANCES OF THE CITY OF EAST PROVIDENCE,
RHODE ISLAND, 1998, AS AMENDED, ENTITLED “ADMINISTRATION”
ARTICLE II**

THE COUNCIL OF THE CITY OF EAST PROVIDENCE HEREBY ORDAINS:

SECTION I. Article II entitled “City Council” of Chapter 2 of the Revised Ordinances of the City of East Providence, Rhode Island, 1998, as amended, entitled “Administration” to read as follows:

Section 2-18

- 1) The East Providence City Charter Chapter 2, Subsection 10, expressly prevents the City Council from unilaterally dealing with the administrative service of the City, except for the purpose of inquiry. Otherwise, the Council is required to work with the administrative office of the City through the Mayor. Therefore, the Council is prevented from issuing any direct order to any member of the Administrative Services of the City.
 - a. Any alleged violation of this Charter provision may be brought in Municipal Court by any party with standing.
 - b. If such a violation of The East Providence City Charter Chapter 2, Subsection 10 is proven beyond a reasonable doubt, the Municipal Court may impose a fine on the Councilor up to \$1,000 for each violation.
 - c. Any such decision is appealable to the Rhode Island Superior Court *de novo*, and subject to the authority of the Rhode Island Attorney General, including but not limited to *nolle prosequi*.

- d. These provisions in no way limit the East Providence City Council's Subpoena Powers under Chapter 2 Section 9 of the East Providence City Charter.
- 2) The City Council may make inquiries of the administrative services and may work with the administrative services of the City by and through the Mayor or the Mayor's delegate.
- 3) In order for the Council to fulfill its duties and obligations under the Charter without risk of violating the limitations set forth in Chapter 2, Section 10 of said Charter, the Council and the Mayor shall come to a formal written agreement, which shall be voted on after a public hearing before the City Council. Such formal written agreement shall establish the practical means for the Council to make inquiry of administrative services and to work with administrative staff through the Mayor.
 - a. This agreement shall be the basis by which the Mayor shall have a member of the administrative services whose regular duties and responsibilities are relevant to the inquiry respond to said inquiry.

RESOLUTION NO.

**RESOLUTION CALLING ON THE UNITED STATES TO
LEAD A GLOBAL EFFORT TO PREVENT NUCLEAR WAR**

WHEREAS, global arsenals have approximately 14,000 nuclear weapons, and most are far more destructive than those that killed hundreds of thousands of people in Hiroshima and Nagasaki, Japan in 1945; and

WHEREAS, the detonation of even a small number of these weapons anywhere in the world could have catastrophic human and environmental consequences that could affect everyone on the planet; and

WHEREAS, a large scale nuclear war would kill hundreds of millions of people directly and cause unimaginable environmental damage, producing conditions wherein the vast majority of the human race would starve and mankind might possibly become extinct as a species; and

WHEREAS, the United States maintains nuclear missiles on hair-trigger alert, capable of being launched within minutes after only a presidential order, which greatly increases the risk of an accidental, mistaken or unauthorized launch; and

WHEREAS, the United States, as well as Britain, China, France, and Russia are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals; and

WHEREAS, in July 2017, 122 nations approved the Treaty on the Prohibition of Nuclear Weapons which makes it illegal under international law to develop, test, produce, manufacture, or otherwise acquire, possess or stockpile nuclear weapons or other nuclear explosive devices; and

WHEREAS, United States taxpayers spend over \$2 million every hour of every day to maintain the United States arsenal, and the planned expenditure of more than \$1.2 trillion to enhance our nuclear arsenal will exacerbate nuclear dangers by fueling a global arms race and diverting crucial resources needed to assure the well-being of American people.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of East Providence hereby calls on the United States and the Rhode Island Congressional Delegation to lead a global effort to prevent nuclear war by:

1. Renouncing the option of using nuclear weapons first;
2. Ending the sole, unchecked authority of any president to launch a nuclear attack;

3. Taking United States nuclear weapons off hair-trigger alert;
4. Cancelling the plan to replace its entire arsenal with enhanced weapons; and
5. Actively pursuing a verifiable agreement among nuclear-armed nations to eliminate their nuclear arsenals.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to each member of Rhode Island's Congressional Delegation.
