

Due to the impending snowstorm, we will be implementing a parking ban beginning TONIGHT, February 12 at 7 PM until further notice.

This time allows our residents adequate time to get their vehicles off the road safely and it also allows our DPW crews to begin pre-treating our roads before the storm. We have dedicated parking lots throughout the city where you can leave your vehicle during the parking ban.

Just a few reminders:

- Please remember to clear your sidewalks. Please be kind and shovel any snow around a fire hydrant close to your home or business, this is helpful during a medical emergency.
- Please check in on your neighbors and seniors you may know to be sure our community is safe and supported.
- We may experience some power outages. If you experience a power outage, please call RI Energy at 855-743-1102.
