

DEBUNKING HOSPICE MYTHS

MONDAY, JANUARY 26
10:30AM

It's a tough conversation but a very important one: end of life care. Hospice is designed to help ensure patient's live their final days to the fullest while also supporting families. Join us to debunk some common hospice myths and learn how you can make sure you have the care you want when the time comes.

Raffle at the end of this presentation.
