**Kent Heights
Recreation Facility**

You are invited to attend a community meeting to learn about the future renovations of the Kent Heights Recreation Facility. Improvements to be installed include but not limited to resurfacing the basketball/tennis courts, an ADA perimeter walking path, ADA compliant play equipment, perennial gardens (native plant species), shade trees, benches and bike racks. We would like to hear your comments and suggestions. Funding for this project is provided by a Rhode Island Department of Environmental Management recreational grant and City funds. Please join us at the **Fuller Creative Learning Center, 260 Dover Avenue on October 17th at 6:00 pm.** If you have any questions, please contact the Planning Department at (401) 654-4268.
