

*Discover the Amazing Story of New England's  
Most Horrific Sea Disaster!*

**MONDAY, APRIL 28 1PM**

***Late Bus offered!***

Larchmont Remembered is a live presentation about the sinking of the steamship Larchmont in 1907, a maritime tragedy that took place off the coast of Block Island, RI in February of 1907. The fascinating presentation covers the story of the ship, its crew and passengers, as well as accounts of survival, panic, murder and miracles.

Join us to hear all the details from presenter Daniel Harrington!
