**Proper Disposal of Corrugated plastic lawn signs**

EAST PROVIDENCE, RI — The City of East Providence Dept. of Public Works would like to inform residents that corrugated plastic lawn signs such as campaign, birthday and other celebrations signs are not recyclable with your household recycling. Please do not dispose of these signs in your recycling cart. However, they can be recycled by bringing them to the Public Works Complex at 60 Commercial Way and placing them in the area designated for rigid plastic and the metal holders can also be recycled by placing them in the area for scrap metal.
