

**Want to bike
and walk
more safely?**

March 26 Public Open House East Providence Bicycle and Pedestrian Master Plan

You're invited to attend the first Public Open House for the East Providence Bicycle and Pedestrian Master Plan project. The Plan aims to enhance safety, strengthen multimodal connections, and establish a robust and equitable active transportation network. Join to **provide your ideas** for improving the biking and walking network.

Wednesday, March 26, 2025

6 – 8 PM*

Weaver Library Champlin Program Room
41 Grove Avenue, East Providence, RI 02914

*Members of the public are welcome to drop in any time between 6 and 8 PM to view study information and provide comments.
