

## **WANT TO STOP WASTING MONEY AND START SAVING ON HEATING BILLS?**

National Grid's EnergyWise program offers an instant rebate of 75% of insulation costs, up to \$2,000 for gas and electrically heated homes. If you heat with another fuel, you may qualify for other rebates for eligible improvements. These rebates can make having a comfortable home easy and affordable.

## **ENERGY SAVINGS BEGIN WITH A NO-COST ENERGY ASSESSMENT!**

**For more information on how we can help to  
reduce your costs and increase comfort**
