STORMWATER QUALITY IMPROVEMENT RETROFITS

BID OPENING ~~MONDAY~~FRIDAY, OCTOBER, ~~NOVEMBER~~ 17, 2025, AT ~~11~~10:00 AM

BID FORM

Acknowledgement of Addendum (if applicable)

Addendum Number

Signature of Bidder

The undersigned bidder, being familiar with local conditions affecting the cost of the work, hereby proposes to provide all necessary labor, materials, equipment and incidental items necessary to do all the work called for in the Specifications and in accordance with the Contract Documents.

The undersigned further understands that the lump sum bid includes all work including labor materials and equipment necessary to construct the project in accordance with the plans, details and specifications. Prevailing wages will apply to this project.

All prices must be written in words and figures. In case of discrepancy, the amount shown in words will govern.

At the time of the opening of bids, the bidder shall have inspected the sites of the work to familiarize themselves with the conditions relating to the work under the contract. Bidder hereby agrees to begin work within ten (10) days after the date of the NOTICE TO PROCEED, unless otherwise specified or permitted by the CITY, and shall complete the work under the provisions of the Contract no later than **November 13, 2026. All work shall be warranted for one year.**

Bid surety in the form of an original bid bond in the amount of five (5) percent of the total bid price must be submitted with each bid. The undersigned bidder further agrees to pay the premiums for the Surety Bond (Performance, Labor and Materials Payment Bonds) for which said premiums are to be included in the Bid Price.

PLEASE COMPLETE THIS PAGE AND SUBMIT WITH YOUR BID

Payment requests shall be submitted on original AIA forms.

The City reserves the right to waive any informality to reject any or all bids if deemed to be in the best interest of the City.

Addendum #1 - Questions and Responses

The following is a list of questions posed by Bidders during the Pre-Bid meeting held on September 25, 2025. In the event of discrepancy between the Contract Documents, discussions at the meeting, and the contents of this Addendum, contents of this Addendum will prevail.

1. Will the City allow winter work?

Yes, winter work will be allowed.

2. Are the dewatering fluids to be managed considered contaminated?

No, the City does not have any knowledge that the dewatering fluids are contaminated.

3. Is the project subject to funding that would dictate MBE/WBE/DBE requirements or other material requirements (e.g., Buy America)?

The City will be using money from a remaining bond that does require MBE/WBE, American Iron and Steel and Build America, Buy America (BABA) requirements. Therefore, the City is requesting bidders attempt to meet the City goals in regards to MBE/WBE (i.e., 10% MBE, 10% WBE and 20% total). The contractor will be required to comply with American Iron and Steel, BABA and prevailing wage rates during the project.

4. Will the Sabin Point Park remain open during construction?

Yes, the park will remain open during construction. The contractor will be required to maintain barriers or other site safety measures to limit park users from accessing the work area.
