## **East Providence launches 2026 Remarkable Women Campaign**

EAST PROVIDENCE, RI - The City of East Providence is celebrating the achievements of women in East Providence and throughout the world by proclaiming March Women's History Month and March 8, 2026, International Women's Day in East Providence.

"We all have a remarkable woman in our lives, oftentimes they go unrecognized," Mayor Bob DaSilva said. "This is a great opportunity to uplift and recognize those remarkable women that we know, that have impacted our quality of life and the quality of life of our residents."

The administration is also kicking off its 7th Annual Remarkable Women Recognition Program and is asking for the community's help in recognizing women in East Providence who have demonstrated extraordinary accomplishments that have had a positive impact on the community. During the months of March and April, Remarkable women will be recognized and celebrated for their impact in the community.

"By nominating and honoring the Remarkable Women in the City of East Providence, we are recognizing the women in our lives who carry the same traits and qualities of the role models and trailblazers that came before us," DaSilva added.

If you know a remarkable woman, please fill out and submit this nomination form by clicking here: [Remarkable Women Nomination Form](#) or print the attached form and email it to Mayoroffice@eastprovidenceri.gov with "Remarkable Woman" in the subject line.
