INFORMATION ON APPLYING FOR A SWIMMING POOL

ABATEMENT

Please utilize the “Apply for Swimming Pool Abatement” form to apply for a one-time reduction in sewer consumption charges due to water use during a new pool installation or pool repair.

Please note the following:

1. To be eligible the following conditions must be met:
 - The pool must contain a minimum of 7,480 gallons (1,000 cubic feet) which is comparable to an 18-foot diameter above-ground pool, or greater
 - Pool water, when emptied, does not enter the City sewer
2. Copies of the pool building permit or repair receipt need to be submitted with the application
3. If approved, the one-time reduction will be in the amount not exceeding \$100.00
