RFP EP21/22-20R

ADDENDUM NO. 3

BID OPENING THURSDAY, MARCH 9, 2023 AT 11:00AM

TO ALL CONTRACTORS ESTIMATING:

Bidders are hereby informed that plans and specifications for the above-mentioned contract are modified, corrected, and/or supplemented as follows; and that Addendum No. 3 becomes a part of the Contract Documents and consists of Item 3-1 through 3-1.

ITEM 3-1: Section 01 51 41, TEMPORARY PUMPING

Paragraph 1.4.A.2

DELETE in its entirety and **REPLACE** with the following:

- “2. Provide trained personnel to monitor, operate, and maintain temporary pumping system when system is in service. Proof of personnel training from the temporary pumping system vendor shall be submitted for record. Temporary pumping system shall be inspected twice daily at a minimum, approximately 8-hrs apart, while in service. Inspections shall document date, time, location, pumps running, run times, pressures, fuel level and observed issues. Remote monitoring/alarming notification is required for the temporary pumping system. A full-time attendant is not required; however, if an alarm is triggered Contractor shall mobilize with trained personnel in accordance with paragraph 1.3.A.6.e.”
