

A floor plan of a medical suite. The layout includes a Waiting Room (100.55 SF) at the top left, a Reception area (67.12 SF) at the top right, an Exam Room (168.48 SF) at the bottom left containing a sink and a medical table, and a Storage area (114.11 SF) at the bottom right. A central hallway provides access to all rooms. The diagram uses solid lines for walls, dashed lines for furniture, and hatched patterns for fixtures like the sink and a window.
